Why does this voice sound familiar?

It suddenly gives me shivers..

I LIKE GIRL WITH BLACK HAIR.

I WAS INSTRUCTED BY THE KING TO WELCOME YOU.

All the people I now are sitting far away from me. Whom should I call for help if something happens?

Kai has such a happy expression on his face. He must've shared his juicy news to the lady next to him...

Lancelot smiles while listening to the noblewoman talking.

And that guy Arthur....

is sitting with a pretty lady. It's rare to see him this polite...

LIN LING, WOULD YOU LIKE ME TO SERVE YOU?

GRAY WINE IS MY FAVORITE.

IT'S A MIXTURE OF HONEY AND GRAPE WINE. WOULD YOU LIKE TO TRY IT?

www.tide123.com

Hm... According to the royal etiquette, I have to talk to the person next to me. If I don't, I would be considered as rude...

No one is sitting on my left side. Don't tell me I have to sit next to that pervert for the entire time of the meal? NO WAY!!

He's so spiteful. Is he threatening me?

Endure it!
Don't make a fool of yourself!

GULP GULP GULP GULP

strong,
so strong...

WHY DID YOU DRINK IT IN A HURRY? I WAS GOING TO USE THE KNIFE TO CUT GOOSE MEAT FOR YOU.

Ah right, in this era, many knights bring a knife with them.

Then he also uses his own knifte? Looks like I was threatening myself....

When that times comes, everyone will wear a mask so no one can recognise anyone.
